My Philosofy.

*I allus argy that a man
Who does about the best he can
Is plenty good enough to suit
This lower mundane institute.
No matter ef his daily walk
Is subject fer his neighbors' talk,
And critic minds of ev'ry whim
Jest all get up and go fer him!*

*My doctern is to lay aside
Contentions, and be satisfied.
Jest do your best, and praise er blame
That follers that, counts jest the same.
I've allus noticed grate success
Is mixed with troubles, more or less,
And it's the man who does the best
That gits more kicks than all the rest.*

—RILEY.
